

AUSTIN SMITH HOUSE

PASSIONIST HOUSE OF HOSPITALITY

IN SOLIDARITY WITH THE CRUCIFIED ONE, THE CRUCIFIED ONES, AND THE CRUCIFIED EARTH

<http://www.passionists-uk.org/>

Austin Smith House is a Passionist community of prayer, hospitality and resistance. We host up to 6 destitute refugees / asylum seekers, providing a safe welcoming home and community, food and some advocacy. We are working on transforming our paved over garden into a place of growth and nourishment for God's creation, as well providing food for our table and a place for our guests to join us in enjoyable, fulfilling and dignified and literally fruitful work.

We are involved in refugee solidarity and awareness raising activities, such as giving talks and the recent 'Refugees Welcome Here' vigils in Birmingham city centre.

We have been involved in peace vigils and demonstrations at 'UAV Engines', the drones engine factory owned by Elbit, the Israeli arms company, as well as taking part in vigils at the UK's drones control base at RAF Waddington.

We are also looking to start a "Catholic Worker" group in Birmingham, part of the movement started by Dorothy Day in New York, USA. Please contact us if you are interested.

If you are interested in getting involved in our activities, please get in touch.
